(a) (i) The Owners shall comply with the requirements of the International Code for the Security of Ships and of Port Facilities and the relevant amendments to Chapter XI of SOLAS (ISPS Code) relating to the Vessel and “the Company” (as defined by the ISPS Code). If trading to or from the United States or passing through United States waters, the Owners shall also comply with the requirements of the US Maritime Transportation Security Act 2002 (MTSA) relating to the Vessel and the “Owner” (as defined by the MTSA).
(ii) Upon request the Owners shall provide a copy of the relevant International Ship Security Certificate (or the Interim International Ship Security Certificate) to the Charterers. The Owners shall provide the Charterers with the full style contact details of the Company Security Officer (CSO).

(iii) Except as otherwise provided in this Charter Party, loss, damages, expense or delay (excluding consequential loss, damages, expense or delay) caused by failure on the part of the Owners or the Company’/Owner’ to comply with the requirements of the ISPS Code/MTSA or this Clause shall be for the Owners’ account.

(b)  
(i) The Charterers shall provide the Owners and the Master with their full style contact details and, upon request, any other information the Owners require to comply with the ISPS Code/MTSA. Furthermore, the Charterers shall ensure that all sub-charter parties they enter into during the period of this Charter Party contain the following provision: “The Charterers shall provide the Owners with their full style contact details and, where sub-letting is permitted under the terms of the charter party, shall ensure that the contact details of all sub-charterers are likewise provided to the Owners”.

(ii) Except as otherwise provided in this Charter Party, loss, damages, expense or delay (excluding consequential loss, damages, expense or delay) caused by failure on the part of the Charterers to comply with this Clause shall be for the Charterers’ account.

(c) Notwithstanding anything else contained in this Charter Party all delay, costs or expenses whatsoever arising out of or related to security regulations or measures required by the port facility or any relevant authority in accordance with the ISPS Code/MTSA including, but not limited to, security guards, launch services, tug escorts, port security fees or taxes and inspections, shall be for the Charterers’ account, unless such costs or expenses result solely from the Owners’ negligence. All measures required by the Owners to comply with the Ship Security Plan shall be for the Owners’ account.

(d) If either party makes any payment which is for the other party’s account according to this Clause, the other party shall indemnify the paying party.

14. Hire and Payments

(a)  Hire
The Charterers shall pay hire for the Vessel at the rate stated in Box 22 per Working Day or pro rata for part thereof from the time that the Vessel is delivered to the Charterers until the expiration or earlier termination of this Charter Party (“Hire”).

(b) Extension Hire
If the option to extend the Charter Period under Clause 1(b) is exercised, Hire for such extension shall, unless stated in Box 23, be agreed between the Owners and the Charterers. Should the parties fail to reach an agreement, then the Charterers’ shall not have the option to extend the Charter Period.

(c) Adjustment of Hire
The rate of Hire shall be adjusted to reflect documented changes, after the date of entering into the Charter Party or the date of commencement of employment, whichever is earlier, in the Owners’ costs arising from changes in the Charterers’ requirements, or laws and regulations governing the Vessel and/or its crew or this Charter Party or the application thereof.

(d) Invoicing
All invoices shall be issued in the contract currency stated in Box 22. In respect of reimbursable expenses incurred in currencies other than the contract currency, the rate of exchange into the contract currency shall be that quoted by the Central Bank of the country of such other currency as at the date of the Owners’ invoice. Invoices covering Hire and any other payments due shall
be issued monthly as stated in Box 26 or at the expiration or earlier termination of this Charter Party.

(e) Payments

Payments of Hire and disbursements for the Charterers’ account shall be received within the number of days stated in Box 28 from the date of receipt of the invoice. Payment shall be made in the currency stated in Box 22 in full without discount to the account stated in Box 27. However, any advances for disbursements made on behalf of and approved by the Owners may be deducted from Hire due. If payment is not received by the Owners within five (5) Banking Days following the due date the Owners are entitled to charge interest at the rate stated in Box 29 on the amount outstanding from and including the due date until payment is received. Where an invoice is disputed, the Charterers shall notify the Owners before the due date and in any event pay the undisputed portion of the invoice but shall be entitled to withhold payment of the disputed portion provided that such portion is reasonably disputed and the Charterers specify such reason. Interest will be chargeable at the rate stated in Box 29 on such disputed amounts where resolved in favour of the Owners. Should the Owners prove the validity of the disputed portion of the invoice, balance payment shall be received by the Owners within five (5) Banking Days after the dispute is resolved. Should the Charterers’ claim be valid, a corrected invoice shall be issued by the Owners.

(f)

(i) Where there is a failure to pay Hire by the due date, the Owners shall notify the Charterers in writing of such failure and further may also suspend the performance of any or all of their obligations under this Charter Party until such time as all the Hire due to the Owners under the Charter Party has been received by the Owners. Throughout any period of suspended performance under this Clause, the Vessel is to be and shall remain on Hire. The Owners’ right to suspend performance under this Clause shall be without prejudice to any other rights they may have under this Charter Party.

(ii) If after five (5) days of the written notification referred to in Clause 14(f)(i) the Hire has still not been received the Owners may at any time while Hire remains outstanding withdraw the Vessel from the Charter Party.

(1) The right to withdraw is to be exercised promptly and in writing and is not dependent upon the Owners first exercising the right to suspend performance of their obligations under the Charter Party pursuant to Clause 14(f)(i) above.

(2) The receipt by the Owners of a payment from the Charterers after the five (5) day period referred to above has expired but prior to the notice of withdrawal in accordance with (1) above shall not be deemed a waiver of the Owners’ right to withdraw the Vessel from the Charter Party.

(iii) Where the Owners choose not to exercise any of the rights afforded to them by this Clause in respect of any particular late payment of Hire, or a series of late payments of Hire, under the Charter Party, this shall not be construed as a waiver of their right either to suspend performance under Clause 14(f)(i) or to withdraw the Vessel from the Charter Party under Clause 14(f)(ii) in respect of any subsequent late payment under this Charter Party.

(g) Audit

The Charterers shall have the right to appoint an independent chartered accountant to audit the Owners’ books directly related to work performed under this Charter Party at any time, up to the expiry of the period stated in Box 30, to determine the validity of the Owners’ charges hereunder. The Owners undertake to make their records available for such purposes at their principal place of business during normal working hours. Any discrepancies discovered in payments made shall be promptly resolved by invoice or credit as appropriate.

15. Off hire
PART II
WINDTIME Standard Offshore Wind Farm Personnel Transfer and Support Vessel Charter Party

(a) If as a result of any deficiency or default of crew or of the Owners’ stores, strike of Master, officers and crew, breakdown of the Vessel’s machinery (excluding any machinery installed on the Vessel by the Charterers pursuant to Clause 5 (Structural Alterations and Additional Equipment)), damage to hull or other accidents to the Vessel, the Vessel is prevented from working, no Hire shall be payable in respect of any time lost and any Hire paid in advance shall be adjusted accordingly provided always however that Hire shall not cease in the event of the Vessel being prevented from working as aforesaid as a result of:

(i) the carriage of cargo as noted in Clause 7(c)(iii) and (iv);

(ii) quarantine or risk of quarantine unless caused by the Master, officers or crew having communication with the shore at any infected area not in connection with the employment of the Vessel without the consent or the instructions of the Charterers;

(iii) deviation from her Charter Party duties or exposure to abnormal risks at the request of the Charterers;

(iv) detention in consequence of being driven into port or to anchorage through stress of weather or trading to shallow harbours or to river or ports with bars or sandbanks, or suffering an accident to her cargo, when the expenses resulting from such detention shall be for the Charterers’ account howsoever incurred;

(v) detention or damage by ice; or

(vi) any act or omission of the Charterers, their servants or agents.

(b) Liability for Vessel not Working
The Owners’ liability for any loss, damage or delay sustained by the Charterers as a result of the Vessel being prevented from working by any of the events referred to in Clause 15(a), except if caused by the Owners’ failure to comply with their obligations pursuant to Clause 4(b), shall be limited to suspension of hire.

(c) Maintenance
Notwithstanding Clause 15(a), the Charterers shall grant the Owners a maximum of one (1) Working Day on hire, which shall be cumulative, per month or pro rata for part of a month from the commencement of the Charter Period for maintenance (hereinafter referred to as “maintenance allowance”). The Owners shall use all reasonable endeavours to carry out maintenance during periods of non-utilisation of the Vessel. During reasonable voyage time taken in transit to and from the port where the maintenance will be performed, the Vessel shall be on hire and such time shall not be counted against the accumulated maintenance allowance. Hire shall be suspended during any time taken in maintenance in excess of the accumulated maintenance allowance.

In the event of less time being used for maintenance than is granted in the maintenance allowance the Charterers shall, upon expiration or earlier termination of the Charter Party, pay the equivalent of the daily rate of Hire then prevailing in addition to Hire otherwise due under this Charter Party in respect of all such time not so taken or made available.

(d) Should the Vessel deviate or put back during a voyage for a reason which causes hire to be suspended pursuant to Clause 15(a) of this Charter Party, hire shall cease to be payable from the commencement of such deviation until the time when the Vessel is again ready to resume her service from a position not less favourable to the Charterers than that at which the deviation commenced, provided always that due allowance shall be given for any distance made good towards the Vessel’s destination and any bunkers saved. However, should the Vessel be driven into port or anchorage by stress of weather or by any cause for which the Charterers are responsible under this Charter Party the Vessel shall remain on hire and all costs thereby incurred shall be for the Charterers’ account.
PART II
WINDTIME Standard Offshore Wind Farm Personnel Transfer and Support Vessel Charter Party

(e) In the event that the Owners fail to procure the insurance policies required in accordance with Clause 19(a)(i) or if any such insurance policies lapse during the Charter Period, the Charterers shall be entitled not to use the services of the Vessel and the Vessel shall be off hire from the time when the Charterers give notice to the Owners to this effect until the Owners have established that the said insurance policies have been effected or the Charterers terminate this Charter Party in accordance with Clause 31(b)(vi).

16. Liabilities and Indemnities

(a) Knock for Knock

(i) Owners

Notwithstanding anything else contained in this Charter Party excepting Clauses 7(c)(iii), 11(b), 11(e), 11(g), 12(c), 13, 16(c), 16(f), 17(b), and 20(c), the Charterers shall not be responsible for loss of or damage to the property of any member of the Owners' Group, including the Vessel, or for personal injury or death of any member of the Owners' Group arising out of or in any way connected with the performance or non-performance of this Charter Party, even if such loss, damage, injury or death is caused wholly or partially by the act, neglect, gross neglect or default of the Charterers' Group, and even if such loss, damage, injury or death is caused wholly or partially by unseaworthiness of any vessel; and the Owners shall indemnify, protect, defend and hold harmless the Charterers from any and against all claims, costs, expenses, actions, proceedings, suits, demands and liabilities whatsoever arising out of or in connection with such loss, damage, personal injury or death, unless such loss, damage, injury or death has resulted from the Charterers' Group's act or omission committed with the intent to cause same or recklessly and with knowledge that such loss, damage, injury or death would probably result.

(ii) Charterers

Notwithstanding anything else contained in this Charter Party excepting Clauses 13, 17(a), and 18, the Owners shall not be responsible for loss of, damage to, or any liability arising out of anything towed by the Vessel; any cargo laden upon or carried by the Vessel or her tow, the property of any member of the Charterers' Group, whether owned or chartered, including their Offshore Units, or for personal injury or death of any member of the Charterers' Group or of anyone on board anything towed by the Vessel, arising out of or in any way connected with the performance or non-performance of this Charter Party, even if such loss, damage, liability, injury or death is caused wholly or partially by the act, neglect, gross neglect or default of the Owners' Group, and even if such loss, damage, liability, injury or death is caused wholly or partially by the unseaworthiness of any vessel; and the Charterers shall indemnify, protect, defend and hold harmless the Owners from any and against all claims, costs, expenses, actions, proceedings, suits, demands, and liabilities whatsoever arising out of or in connection with such loss, damage, liability, personal injury or death, unless such loss, damage, injury or death has resulted from the Owners' Group's act or omission committed with the intent to cause same or recklessly and with knowledge that such loss, damage, injury or death would probably result.

(b) Consequential Damages

Neither the Owners nor the Charterers shall be liable to the other party for:

(i) any loss of profit, loss of use or loss of production whatsoever and whether arising directly or indirectly from the performance or non-performance of this Charter Party, and whether or not the same is due to negligence or any other fault on the part of either party, their servants or agents, or

(ii) any consequential loss or damage for any reason whatsoever, whether or not the same is due to any breach of contract, negligence or any other fault on the part of either party, their servants or agents.

(c) Limitations

Except as provided in the following Clauses:

Clause 10 (Owners to Provide);
Clause 11 (Charterers to Provide);
the liability of either party shall in no event whatsoever exceed the amount stated in Box 31 (or, if left blank, twenty per cent (20%) of the total sum of hire due pursuant to the Charter Period stated in Box 9) for any loss, damage, delay or expense of whatsoever nature, and howsoever arising out of the Charter Party.

Nothing contained in this Charter Party shall be construed or held to deprive the Owners or the Charterers, as against any person or party, including as against each other, of any right to claim limitation of liability provided by any applicable law, statute or convention, save that nothing in this Charter Party shall create any right to limit liability. Where the Owners or the Charterers may seek an indemnity under the provisions of this Charter Party or against each other in respect of a claim brought by a third party, the Owners or the Charterers shall seek to limit their liability against such third party.

(d) Mutual exclusion
In the event that either party fails to perform the Charter Party, or unequivocally indicates its intention not to perform it, in a way which thereby permits the other party to treat the Charter Party as at an end other than under the terms of the Charter Party, any such claim that the other party may have shall not be limited or excluded by the terms of this Charter Party.

(e) Himalaya Clause

(i) All exceptions, exemptions, defences, immunities, limitations of liability, indemnities, privileges and conditions granted or provided by this Charter Party or by any applicable statute, rule or regulation for the benefit of the Charterers shall also apply to and be for the benefit of the Charterers’ parent, affiliated, related and subsidiary companies; the Charterers’ contractors, sub-contractors, co-venturers and customers (having a contractual relationship with the Charterers, always with respect to the job or project on which the Vessel is employed); their respective Employees and their respective underwriters.

(ii) All exceptions, exemptions, defences, immunities, limitations of liability, indemnities, privileges and conditions granted or provided by this Charter Party or by any applicable statute, rule or regulation for the benefit of the Owners shall also apply to and be for the benefit of the Owners’ parent, affiliated, related and subsidiary companies, the Owners’ contractors, sub-contractors, the Vessel, its Master, officers and crew, its registered owner, its operator, its demise charterer(s), their respective Employees and their respective underwriters.

(iii) The Owners or the Charterers shall be deemed to be acting as agent or trustee of and for the benefit of all such persons and parties set forth above, but only for the limited purpose of contracting for the extension of such benefits to such persons and parties.

(f) Toxic or Noxious Substances
The Charterers shall always be responsible for any losses, damages or liabilities suffered by the Owners’ Group, by the Charterers, or by third parties, with respect to the Vessel or other property, personal injury or death, pollution or otherwise, which losses, damages or liabilities are caused, directly or indirectly, as a result of the Vessel’s carriage of any toxic or noxious substances in whatever form as ordered by the Charterers, and the Charterers shall defend, indemnify the Owners and hold the Owners harmless for any expense, loss or liability whatsoever or howsoever arising with respect to the carriage of toxic or noxious substances.

17. Pollution
(a) Except as otherwise provided for in Clause 20(c)(iii), the Owners shall be liable for, and agree to indemnify, defend and hold harmless the Charterers against all claims, costs, expenses, actions, proceedings, suits, demands and liabilities whatsoever arising out of actual or threatened pollution damage and the cost of cleanup or control thereof arising from acts or omissions of the Owners or their personnel which cause or allow discharge, spills or leaks from the Vessel, except as may emanate from cargo thereon or therein.

(b) The Charterers shall be liable for and agree to indemnify, defend and hold harmless the Owners from all claims, costs, expenses, actions, proceedings, suits, demands, liabilities, loss or damage whatsoever arising out of or resulting from any actual or threatened pollution damage emanating from anything towed by the Vessel, cargo laden upon or carried by the Vessel or her tow, the property of any member of the Charterers’ Group, whether owned or chartered, including their Offshore Units, even where caused wholly or partially by the act, neglect or default of the Owners, their Employees, contractors or sub-contractors or by the unseaworthiness of the Vessel.

(c) The Charterers shall, upon giving notice to the Owners or the Master, have the right (but shall not be obliged) to place on board the Vessel and/or have in attendance at the site of any pollution or threatened incident one or more Charterers’ representative(s) to observe the measures being taken by Owners and/or national or local authorities or their respective servants, agents or contractors to prevent or minimise pollution damage and to provide advice, equipment or manpower or undertake such other measures, at Charterers’ risk and expense, as are permitted under applicable law and as Charterers believe are reasonably necessary to prevent or minimise such pollution damage or to remove the threat of pollution damage.

18. Wreck Removal
If the Vessel becomes a wreck and is an obstruction to navigation and has to be removed by order of any lawful authority having jurisdiction over the area where the Vessel is placed or as a result of compulsory law, the Owners shall be liable for any and all expenses in connection with the raising, removal, destruction, lighting or marking of the Vessel.

19. Insurance
(a) The Owners undertake that at time of delivery under this Charter Party and throughout the Charter Period the insurance policies set forth in ANNEX "B" shall be in effect, with reputable insurers. Policy limits shall not be less than those indicated. Reasonable deductibles are acceptable and shall be for the account of the Owners.

(i) The Charterers shall upon request be named as co-insured. The Owners shall upon request cause insurers to waive subrogation rights against the Charterers (as encompassed in Clause 16(e)(i)). Co-insurance and/or waivers of subrogation shall be given only insofar as these relate to liabilities which are properly the responsibility of the Owners under the terms of this Charter Party.

(b) The Owners shall upon request furnish the Charterers with copies of certificates of insurance which provide sufficient information to verify that the Owners have complied with the insurance requirements of this Charter Party.

20. Saving of Life and Salvage
(a) The Vessel shall be permitted to deviate for the purpose of saving life at sea without prior approval or notice to the Charterers and without loss of Hire provided however that notice of such deviation is given as soon as possible.

(b) Subject to the Charterers’ consent, which shall not be unreasonably withheld, the Vessel shall be at liberty to undertake attempts at salvage, it being understood that the Vessel shall be off-hire from the time she leaves port or commences to deviate and she shall remain off-hire until she is again in every way ready to resume the Charterers’ service at a position which is not less favourable to the Charterers than the position at the time of leaving port or deviating for the
salvage services. All salvage monies earned by the Vessel shall be divided equally between the Owners and the Charterers, after deducting the Master’s, officers’ and crew’s share, legal expenses, value of fuel and lubricants consumed, Hire of the Vessel lost by the Owners during the salvage, repairs to damage sustained, if any, and any other extraordinary loss or expense sustained as a result of the salvage. The Charterers shall be bound by all measures taken by the Owners in order to secure payment of salvage and to fix its amount.

(c) The Owners shall waive their right to claim any award for salvage performed on property owned by or contracted to the Charterers, always provided such property was the object of the operation the Vessel was chartered for, and the Vessel shall remain on hire when rendering salvage services to such property. This waiver is without prejudice to any right the Vessel’s Master, officers and crew may have under any title. If the Owners render assistance to such property in distress on the basis of “no claim for salvage”, then, notwithstanding any other provisions contained in this Charter Party and even in the event of neglect or default of the Owners, Master, officers or crew:

(i) The Charterers shall be responsible for and shall indemnify the Owners against payments made, under any legal rights, to the Master, officers and crew in relation to such assistance.

(ii) The Charterers shall be responsible for and shall reimburse the Owners for any loss or damage sustained by the Vessel or her equipment by reason of rendering such assistance and shall also pay the Owners’ additional expenses thereby incurred.

(iii) The Charterers shall be responsible for any actual or potential spill, seepage and/or emission of any pollutant howsoever caused occurring within the offshore site and any pollution resulting therefrom wheresoever it may occur and including but not limited to the cost of such measures as are reasonably necessary to prevent or mitigate pollution damage, and the Charterers shall indemnify the Owners against any liability, cost or expense arising by reason of such actual or potential spill, seepage and/or emission.

(iv) The Vessel shall not be off-hire as a consequence of giving such assistance, or effecting repairs under Clause 20(c)(iii), and time taken for such repairs shall not count against time granted under Clause 15(d).

(v) The Charterers shall indemnify the Owners against any liability, cost and/or expense whatsoever in respect of any loss of life, injury, damage or other loss to person or property howsoever arising from such assistance.

21. Lien and Claims

The Charterers will not suffer, nor permit to be continued, any lien or encumbrance incurred by them or their agents, which might have priority over the title and interest of the Owners in the Vessel. Except as provided in Clause 16 (Liabilities and Indemnities), the Charterers shall indemnify and hold the Owners harmless against any lien of whatsoever nature arising upon the Vessel during the Charter Period while she is under the control of the Charterers, and against any claims against the Owners arising out of the employment of the Vessel by the Charterers or out of any neglect of the Charterers in relation to the Vessel or the operation thereof.

Should the Vessel be arrested by reason of claims or liens arising out of her operation hereunder, unless brought about by the act or neglect of the Owners, the Charterers shall at their own expense take all reasonable steps to secure that within a reasonable time the Vessel is released and at their own expense put up bail to secure release of the Vessel.

22. Sublet and Assignment

(a) Charterers

The Charterers shall have the option of subletting, assigning or loaning the Vessel to any person or company not competing with the Owners, subject to the Owners’ prior approval which shall not be unreasonably withheld or delayed, upon giving notice in writing to the Owners, but the original Charterers shall always remain responsible to the Owners for due performance of
PART II

WINDTIME Standard Offshore Wind Farm Personnel Transfer and Support Vessel Charter Party

the Charter Party. The person or company taking such subletting, assigning or loan and their
contractors and sub-contractors shall be deemed contractors of the Charterers for all the
purposes of this Charter Party. The Owners make it a condition of such consent that additional
Hire shall be paid as agreed between the Charterers and the Owners in Box 32, having regard
to the nature and period of any intended service of the Vessel.

(b) Owners
The Owners may not assign or transfer any part of this Charter Party without the written
approval of the Charterers, which approval shall not be unreasonably withheld or delayed.
Approval by the Charterers of such subletting or assignment shall not relieve the Owners of
their responsibility for due performance of the part of the services which is sublet or assigned.

23. Substitute Vessel
The Owners shall be entitled at any time, whether before delivery or at any other time during the
Charter Period, to provide a substitute vessel of equivalent capability subject to the Charterers’ prior
approval which shall not be unreasonably withheld or delayed.

24. BIMCO War Risks Clause CONWARTIME 2013
   (a) For the purpose of this Clause, the words:
   (i) “Owners” shall include the shipowners, bareboat charterers, disponent owners, managers or
       other operators who are charged with the management of the Vessel, and the Master; and
   (ii) “War Risks” shall include any actual, threatened or reported:
       war, act of war, civil war or hostilities; revolution; rebellion; civil commotion; warlike operations;
       laying of mines; acts of piracy and/or violent robbery and/or capture/seizure (hereinafter
       “Piracy”); acts of terrorists; acts of hostility or malicious damage; blockades (whether imposed
       against all vessels or imposed selectively against vessels of certain flags or ownership, or
       against certain cargoes or crews or otherwise howsoever), by any person, body, terrorist or
       political group, or the government of any state or territory whether recognised or not, which, in
       the reasonable judgement of the Master and/or the Owners, may be dangerous or may become
dangerous to the Vessel, cargo, crew or other persons on board the Vessel.
   (b) The Vessel shall not be obliged to proceed or required to continue to or through, any port,
       place, area or zone, or any waterway or canal (hereinafter “Area”), where it appears that the
       Vessel, cargo, crew or other persons on board the Vessel, in the reasonable judgement of the
       Master and/or the Owners, may be exposed to War Risks whether such risk existed at the time
       of entering into this Charter Party or occurred thereafter. Should the Vessel be within any such
       place as aforesaid, which only becomes dangerous, or may become dangerous, after entry into
       it, the Vessel shall be at liberty to leave it.
   (c) The Vessel shall not be required to load contraband cargo, or to pass through any blockade as
       set out in Sub-clause (a), or to proceed to an Area where it may be subject to search and/or
       confiscation by a belligerent.
   (d) If the Vessel proceeds to or through an Area exposed to War Risks, the Charterers shall
       reimburse to the Owners any additional premiums required by the Owners’ insurers and the
       costs of any additional insurances that the Owners reasonably require in connection with War
       Risks.
   (e) All payments arising under Sub-clause (d) shall be settled within fifteen (15) days of receipt of
       Owners’ supported invoices or on redelivery, whichever occurs first.
   (f) If the Owners become liable under the terms of employment to pay to the crew any bonus or
       additional wages in respect of sailing into an Area which is dangerous in the manner defined by
       the said terms, then the actual bonus or additional wages paid shall be reimbursed to the
       Owners by the Charterers at the same time as the next payment of hire is due, or upon
       redelivery, whichever occurs first.
PART II
WINDTIME Standard Offshore Wind Farm Personnel Transfer and Support Vessel Charter Party

677  (g) The Vessel shall have liberty:

678  (i) to comply with all orders, directions, recommendations or advice as to departure, arrival, routes,

679  sailing in convoy, ports of call, stoppages, destinations, discharge of cargo, delivery, or in any

680  other way whatsoever, which are given by the government of the nation under whose flag the

681  Vessel sails, or other government to whose laws the Owners are subject, or any other

682  government of any state or territory whether recognised or not, body or group whatsoever acting

683  with the power to compel compliance with their orders or directions;

684  (ii) to comply with the requirements of the Owners’ insurers under the terms of the Vessel’s

685  insurance(s);

686  (iii) to comply with the terms of any resolution of the Security Council of the United Nations, the

687  effective orders of any other Supranational body which has the right to issue and give the same,

688  and with national laws aimed at enforcing the same to which the Owners are subject, and to

689  obey the orders and directions of those who are charged with their enforcement;

690  (iv) to discharge at any alternative port any cargo or part thereof which may expose the Vessel to

691  being held liable as a contraband carrier;

692  (v) to call at any alternative port to change the crew or any part thereof or other persons on board

693  the Vessel when there is reason to believe that they may be subject to internment, imprisonment, detention or similar measures.

695  (h) If in accordance with their rights under the foregoing provisions of this Clause, the Owners shall

696  refuse to proceed to the loading or discharging ports, or any one or more of them, they shall

697  immediately inform the Charterers. No cargo shall be discharged at any alternative port without

698  first giving the Charterers notice of the Owners’ intention to do so and requesting them to

699  nominate a safe port for such discharge. Failing such nomination by the Charterers within 48

700  hours of the receipt of such notice and request, the Owners may discharge the cargo at any

701  safe port of their own choice. All costs, risk and expenses for the alternative discharge shall be

702  for the Charterers’ account.

703  (i) The Charterers shall indemnify the Owners for claims arising out of the Vessel proceeding in

704  accordance with any of the provisions of Sub-clauses (b) to (h) which are made under any bills

705  of lading, waybills or other documents evidencing contracts of carriage.

706  (j) When acting in accordance with any of the provisions of Sub-clauses (b) to (h) of this Clause

707  anything is done or not done, such shall not be deemed a deviation, but shall be considered as

708  due fulfilment of this Charter Party.

25. War Cancellation

26. BIMCO Ice Clause for Time Charter Parties

(a) The Vessel shall not be obliged to force ice but, subject to the Owners’ prior approval having

due regard to its size, construction and class, may follow ice-breakers.

(b) The Vessel shall not be required to enter or remain in any icebound port or area, nor any port or

area where lights, lightships, markers or buoys have been or are about to be withdrawn by

reason of ice, nor where on account of ice there is, in the Master’s sole discretion, a risk that, in

the ordinary course of events, the Vessel will not be able safely to enter and remain at the port

or area or to depart after completion of loading or discharging. If, on account of ice, the Master

in his sole discretion considers it unsafe to proceed to, enter or remain at the place of loading or

discharging for fear of the Vessel being frozen in and/or damaged, he shall be at liberty to sail to

the nearest ice-free and safe place and there await the Charterers’ instructions.
(c) Any delay or deviation caused by or resulting from ice shall be for the Charterers’ account and the Vessel shall remain on-hire.

(d) Any additional premiums and/or calls required by the Vessel’s underwriters due to the Vessel entering or remaining in any icebound port or area, shall be for the Charterers’ account.

27. Health and Safety and the Environment
The Owners shall comply with and adhere to all applicable international, national and local regulations pertaining to health and safety, and the environment, and such Charterers’ instructions as may be appended hereto.

28. Compliance with Laws and Regulations
The parties will not do or permit to be done anything which might cause any breach or infringement of the laws and regulations of the Flag State, or of the places where the Vessel trades.

29. Drugs and Alcohol Policy
